A smart family home that blends everyday comfort with practical design.

The Riverview 29 is designed to make family living easy, with a spacious open-plan kitchen, dining and living area that flows seamlessly to the alfresco. A separate front lounge provides a quiet retreat, while the butler's pantry, dedicated laundry and double garage add everyday functionality. Privately positioned, the master suite features a walk-in robe and ensuite, while three additional bedrooms are grouped around a central bathroom. A dedicated study offers flexibility for working from home or homework, making the Riverview 29 a well-balanced home that delivers comfort, convenience and space for modern family living.
