Plan Size (WxL)

12.44m x 21.44m

Minimum Lot Size (WxL)

14m x 30m

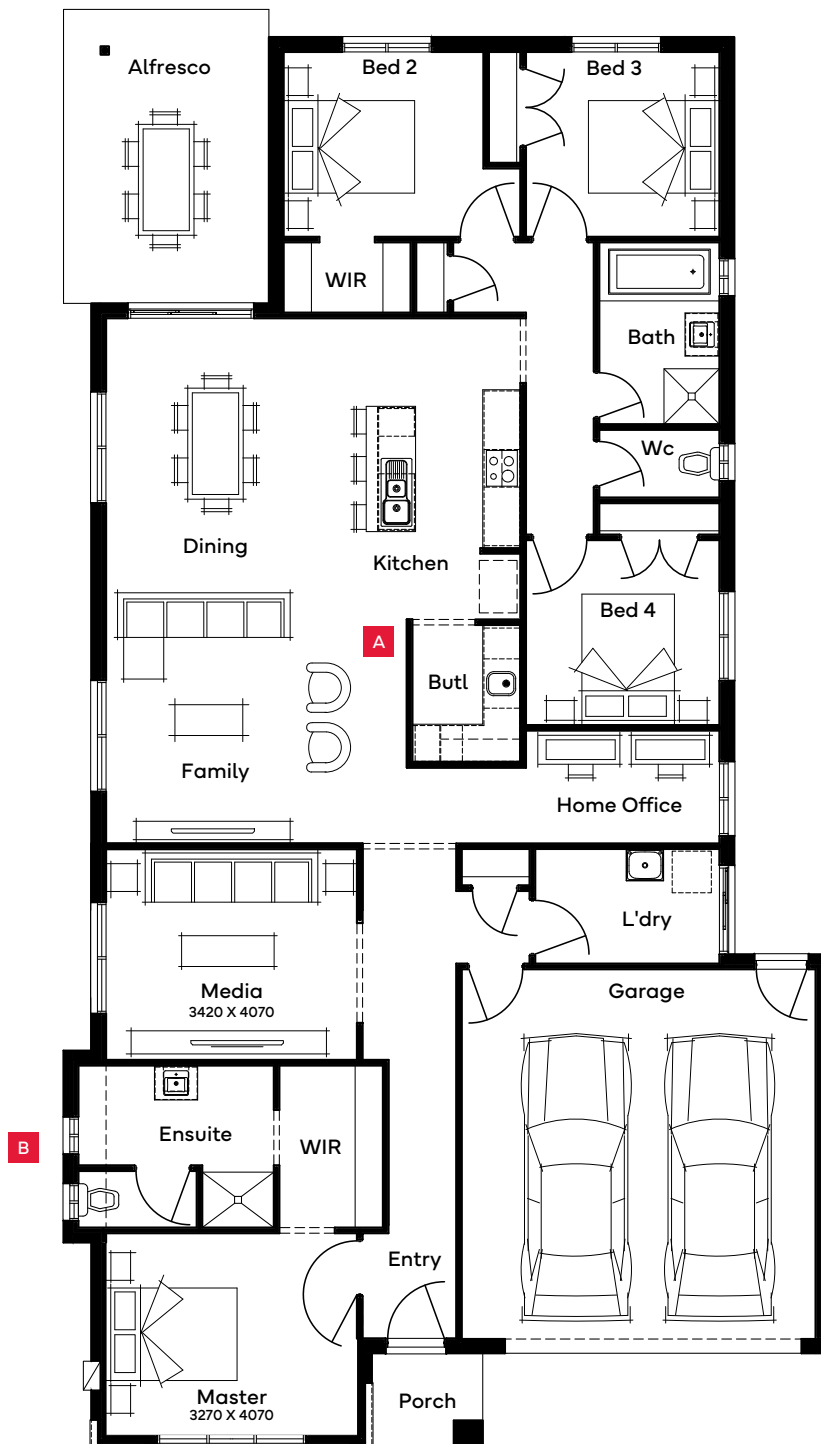

The Wilson 26, a 4-bedroom, 2-bathroom home with two living areas, epitomises elegant functionality. Designed to focus on family living, it features a well-appointed kitchen at the heart, leading to an expansive living and dining area. The bedrooms are thoughtfully positioned to ensure privacy, while the additional living space provides flexibility for entertainment or relaxation, making this home a perfect blend of practicality and modern charm.
