Plan Size (WxL)

14.87m x 23.03m

Minimum Lot Size (WxL)

16m x 30m

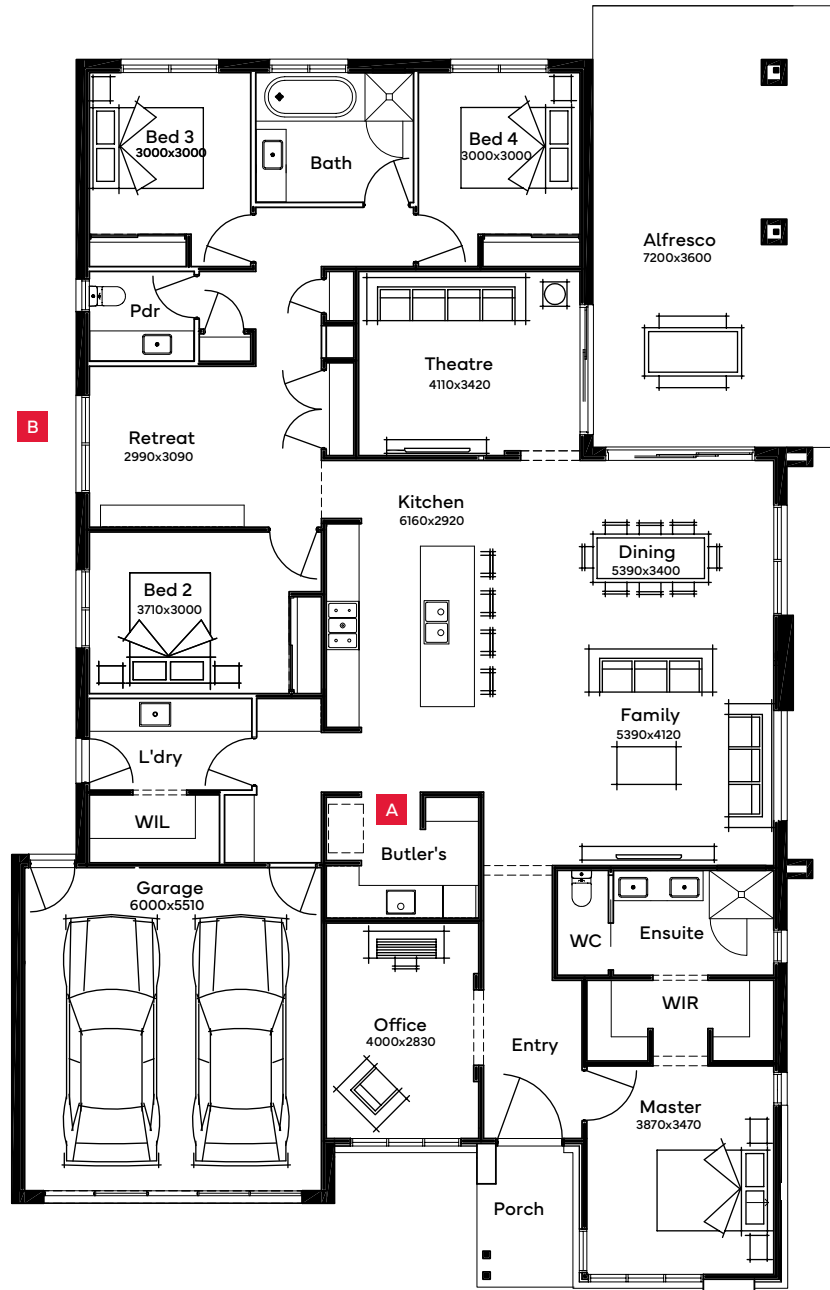

The Redhill 30, a 5-bedroom, 2-bathroom home, embodies contemporary charm and practical living. Its sprawling single-storey layout includes an open-plan core that encourages social connection and relaxation. The kitchen, efficiently linked to the laundry, butler's pantry, linen storage, and garage, combines 'wow' moments with functionality. The master suite and home office, overlooking the street, offer an adult sanctuary. The perfect home to provide balanced family living!
