Plan Size (WxL)

13.74m x 24.76m

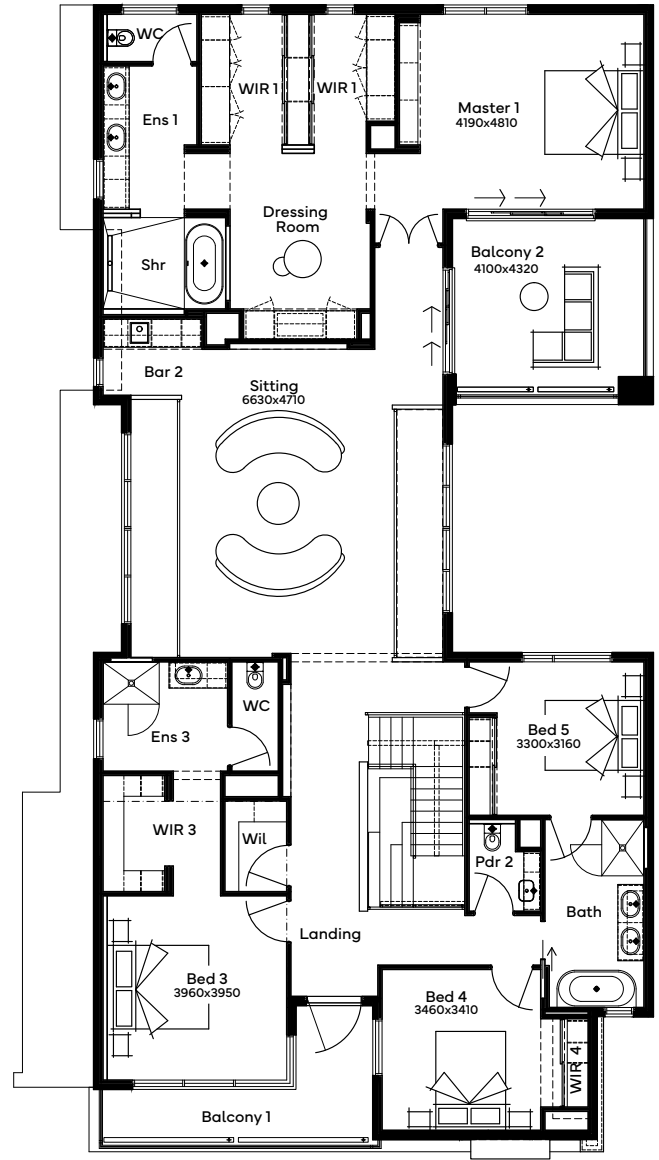

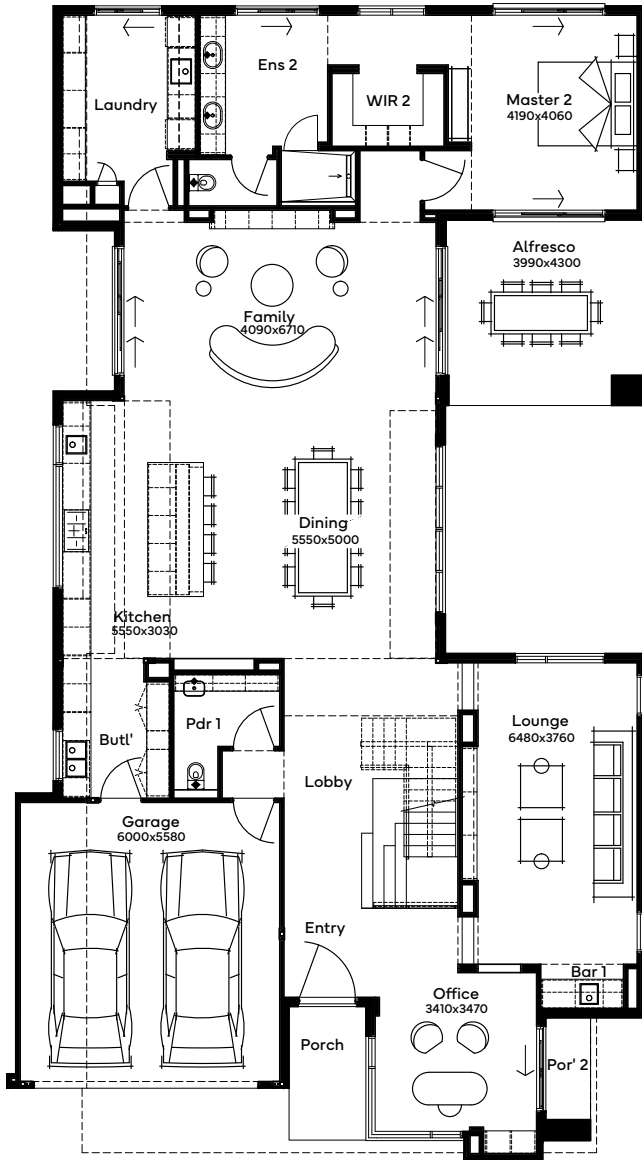

Minimum Lot Size (WxL)

16m x 32m

The Hinterland 58 home design sets a new standard for luxury and space, boasting an expansive two-storey layout that includes 5 bedrooms, 4 bathrooms, a 2 car garage, and multiple living areas. This house plan is intelligently designed to facilitate a seamless flow between generously sized rooms, integrating open-plan living with private spaces effectively. The floor plan features a master suite that serves as a private retreat for homeowners, complete with a walk-in wardrobe and ensuite. The Hinterland 58 is ideally suited for large families, upsizers, or those seeking an architectural masterpiece to call home.
