# Terms & Conditions

The customer acknowledges and accepts that while Simonds will use reasonable endeavours to ensure construction of the home is completed within 120 days after purchase:

(a) factors outside of Simonds direct control may result in construction of the home not being completed. This includes:

- (i) delays caused by inclement weather;
- (ii) delays caused by suppliers of material and/or labour
- (iii) disputes with neighbouring owners or residents, or proceedings brought or threatened by them against Simonds;
- (iv) civil commotion or industrial action affecting the work of tradespeople or the work of a manufacturer or supplies of materials;
- (v) anything done or not done by either the customer or the developer;
- (vi) a delay in getting any approval arising out of or in connection with the construction of the home; and
- (vii) any other cause that is beyond Simonds' director control.

(b) Simonds accepts no responsibility for any loss, damage, cost, or expense (whether direct or indirect) suffered or incurred by you as a result of or in connection with any delays (including delays referred to in (a)) to the completion of construction.

## First Home Buyer Government Grant Eligible

The customer acknowledges and accepts that any information given to it by Simonds about the customer's eligibility for any government grant or scheme is general information only (General Information), and the customer confirms that they have made (or will make) its own independent enquiries about government grants or schemes, and have not relied on the General Information for any purpose whatsoever.
