KEY FEATURES

Turnkey living
Enjoy the ease of true turnkey living, with every detail thoughtfully completed – from your driveway to landscaping and fencing to flooring, window furnishings and more. On completion, simply move in and start living, or welcome tenants straight away.

Designed for connection
A generously sized kitchen island anchors the open-plan living and dining area, creating a warm and inviting hub for everyday living, entertaining and connection.

Seamless indoor-outdoor living
Cleverly designed living and dining areas extend effortlessly to a private outdoor retreat – ideal for summer entertaining, pets or starting the vegetable garden you've always wanted.

Flexible living for all stages
The Perry 18 includes a downstairs bedroom with a bathroom, alongside an upstairs master suite, making it ideal for downsizers, multi-generational households or investors looking to maximise rental potential. Across all designs, the bedrooms are generously proportioned and feature ample storage.

Thoughtfully considered features
Everyday living is made easier with practical inclusions such as a downstairs powder room, Euro-style laundry, under-stair storage and a built-in linen cupboard. The Perry 13 and 17 designs also feature a dedicated study space, perfect for working or studying from home.

Secure rear-loaded garage
A secure rear-loaded garage provides convenient and reliable parking, enhancing both functionality and peace of mind.

YOUR NEW HOME JOURNEY SIMPLIFIED.

1. Select your townhome

Choose your favourite home design. With four different floorplan options to select from, there's sure to be a layout that best suits your needs. Once you have made your choice, your New Home Specialist will guide you through the deposit process.

2. Choose your colour scheme

Choose between two internal colour palettes and add your desired upgrades from our list of options.

3. Contract

Once the Simonds preliminary agreement is complete, we'll start preparing the HIA Construction Contract based on your selections. Your conveyancer or solicitor will then review the details of the Land Contract and Form 1; once it's good to go, you'll sign both and pay the full deposit under the Land Contract. As soon as your Construction Contract is ready, we will complete this with you. A signed Construction Contract will be required or the exchange of the Land Contract. Once titles have been obtained and settlement is complete pursuant to the Land Contract, construction will then begin.

4. Construction stages*

Base stage
Slab and footings go down.

Frame stage
See your dream home take shape with your internal and external walls and roof trusses complete.

Lock up
This is where you'll see all your roofing & external walls complete plus windows & exterior doors installed.

Fixing
Your home is in the final stretch with interiors, doors, kitchens & bathrooms complete!

Completion
All your flooring is complete. Certificate of occupancy is issued.

Settlement
Time to enjoy your new home!

5. Handover & support

Congratulations on your new home! Now it's time to sit back, relax and enjoy seeing all of your hard work paid off. With Simonds' Lifetime Structural Guarantee*, you can rest assured that we'll be with you every step of the way to provide the support you need.

*Terms and conditions: the customer acknowledges that the timelines of each progress stage, as set out in the building contract, apply at all times.
